

# Women's Health Information & Drop-in Clinic

On the 18<sup>th</sup> of September 2019 the Brewarrina Aboriginal Medical Service and Western NSW

Local Health District Women's Health held an information day for the ladies of Brewarrina to inform them of the

advancements made in the area of women's health.

During the day there was also a morning tea and BBQ lunch.

In the afternoon a craft session was had where the ladies that attended made lady beetle fridge magnets.
